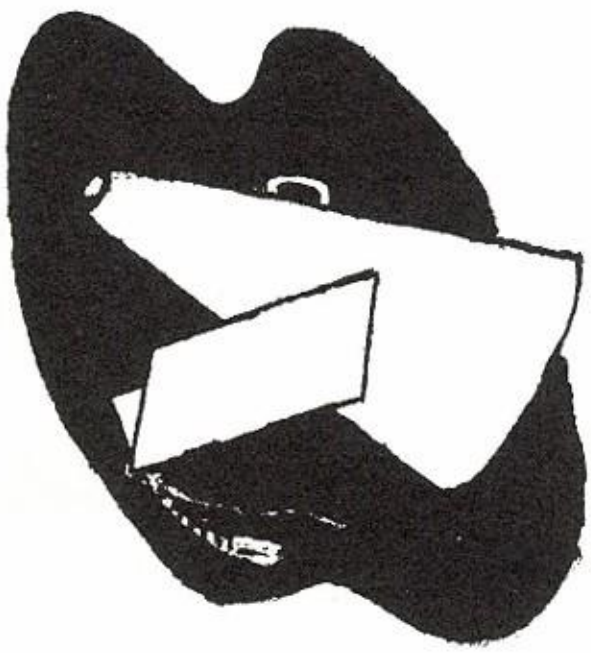
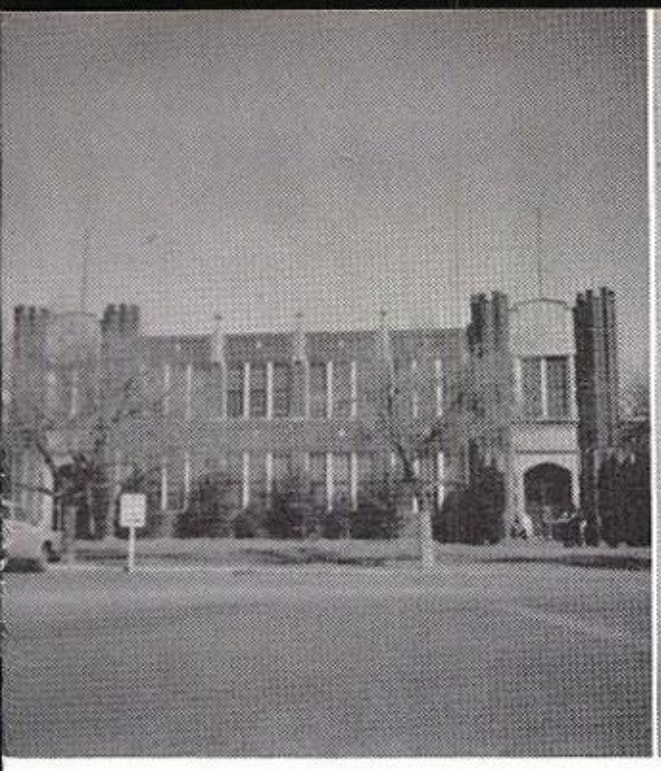
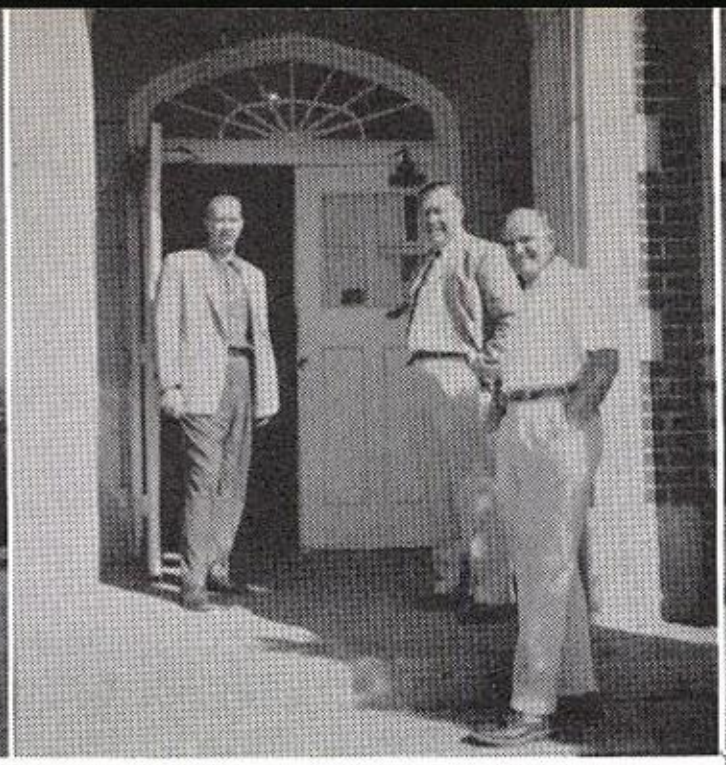
FOREWORD

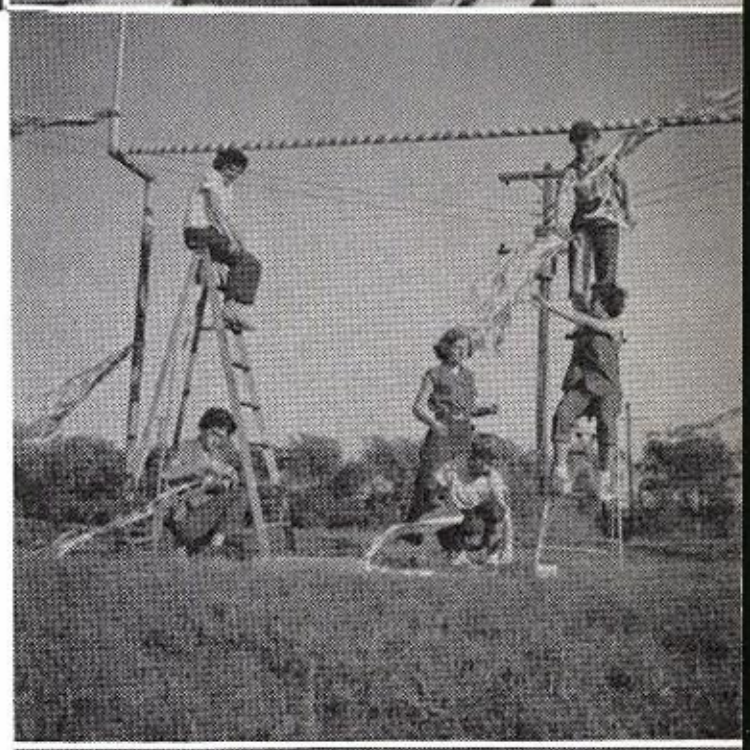
Though time will pass, and we shall part, this book will be an unbreakable link in your chain of memories. And if, when looking through these pages, you relive the happy days of yester years for just awhile, our efforts will not be in vain.

Thus, we present this book to you: may your hearts be happier for the memories it may bring.







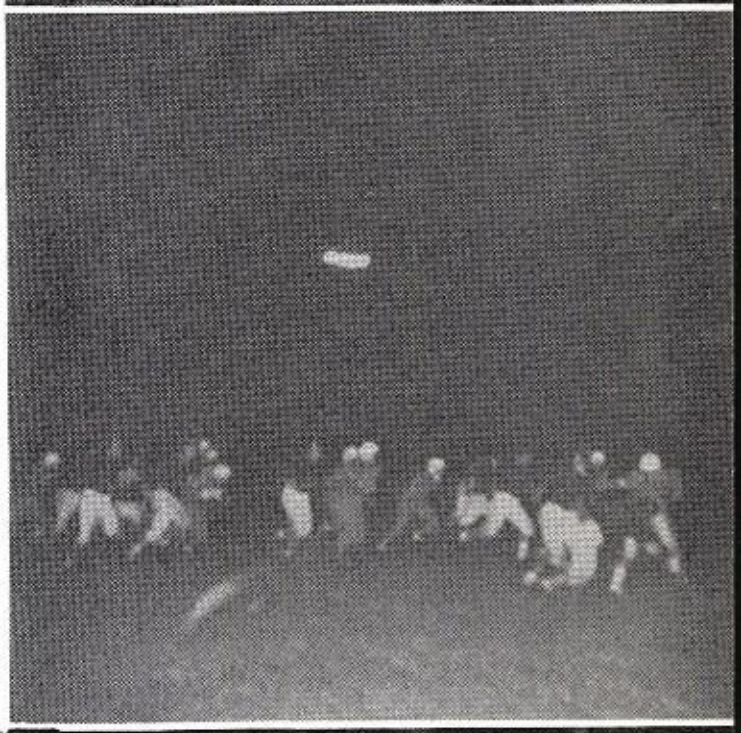


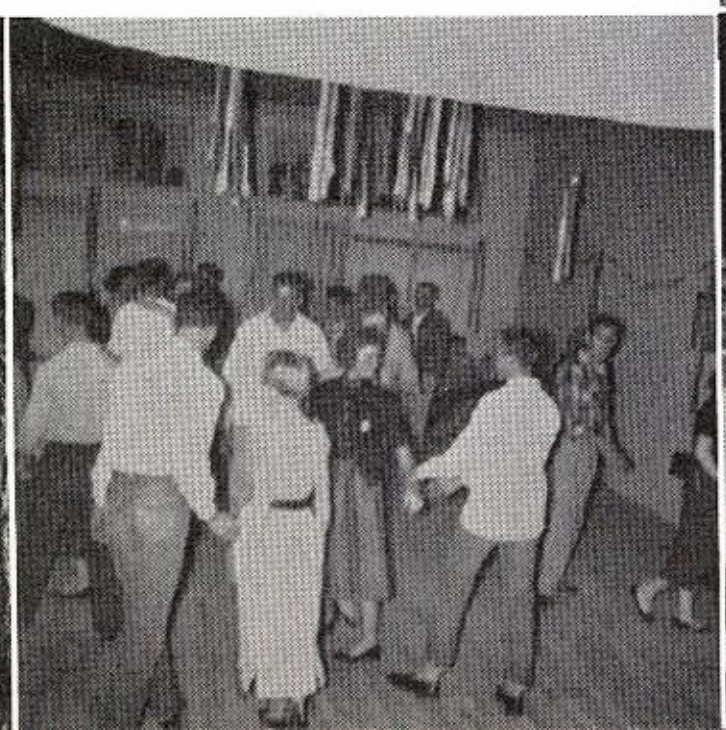
THIS IS A RECORD OF.....

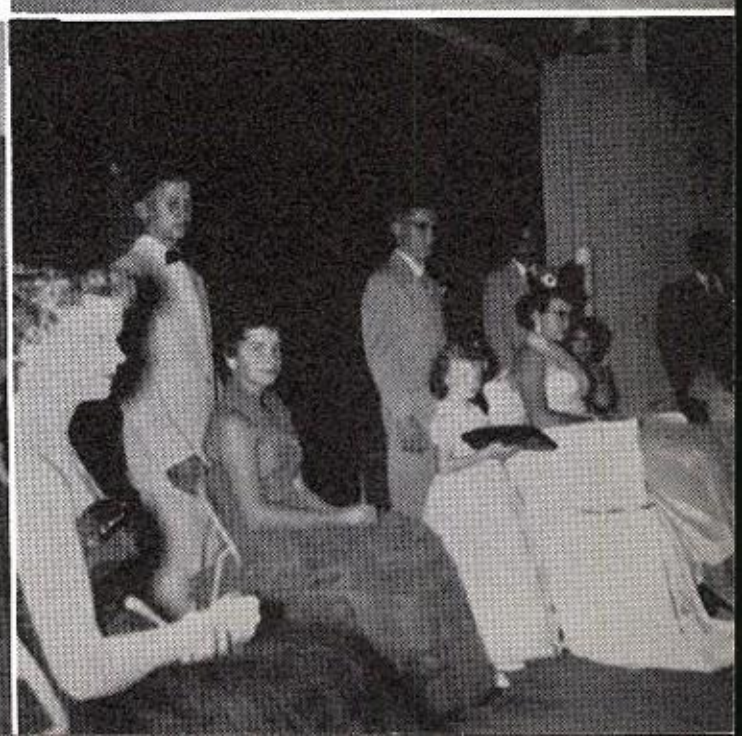
School Buildings, Faculty, Classes,

Organizations, Sports, Personalities,

Activities, and Grade School.







DEDICATION

Amherst High School for the past years has had the fortunate experience of being under the leadership of some of the most capable and progressive teachers in the Educational Field today.

To our teachers who have given so many hours to the youth of Amherst, we dedicate our 1955 Growl.

Mr. Osborne
SUPERINTENDENT

TO THE SENIORS, FACULTY AND OTHER STUDENTS OF AMHERST SCHOOL.

Always, it is with confused emotions that I approach the end of a school year--happy that once again a class has finished its many tasks and is about to begin an enlarged program in the game of life, but sad at the thought that soon we must part.

Some of you will continue your schooling; others will enter various vocations. Surely you will enlarge your intellectual horizons as the seasons come and go. My highest hope for you is that you will never grow away from the idealism and enthusiasm of high school days, and the fundamental truths you have so often heard spoken.

Sincerely,
Vance P. Osborne

Seniors of the Amherst High School, I want to congratulate you for the publication of the 1955 "Growl." Moreover, I want to congratulate you for your educational achievements.

Education and religion are the two essentials for the more successful person. Having obtained and faithfully practiced the fine virtues of each of these, you are better prepared to go out into the community, state, and nation as a better citizen.

Your thoughts have brought you where you are today and your thinking will determine your destiny of tomorrow.

Sincerely yours,
Floyd E. Harris
